Incenses

BALADARSHAN commits to insure the best working conditions to the producers, according the principle No 7 of the Fair Trade Chart.

Therefore, for their well-being, we decided to ban hand-rolled incenses, since hand-rolling all the day attracts tiredness and shoulder pain.

The incenses production units have been equipped with semi-automatic machine enabling also to increase significantly the production and to offer the best prices.

Our incenses are NOT HAND-ROLLED, the women producers are happy and we are proud of that.

BALADARSHAN supplies two ranges of incenses:

- Aromatherapy range made of natural perfumes.
- Masala Incenses made of essential oils.

All our incenses have been tested and are free of Toluene and Benzene as per REACH Standards.

For any bulk order, test certificates and Material Safety Data Sheets are provided.
